EAB3002: Principles of Behavior Analysis

- Instructor: Sarah Martner
- Email: SMartner2@ufl.edu
- Office: 81 Psychology Building
- Office Hours: Tuesday 2:30-3:30 PM & Wednesday 10:30-11:30 AM (and happily by appointment)
  - Directions: You will need to enter through the garden level entrance near the dumpsters and large service elevator facing outside (glamorous, I know). To the left of the elevator, you will see a glass door entrance. My desk is in room 081. Look for the sign on the door that says, “BHAT Clinic.”

Welcome & Overview

Why do you do what you do? Why do you feel, think, imagine? Why do you procrastinate? Why is Xavier so passive-aggressive? Why won't that anxiety just go away? Understanding causes of behavior is one central aim of this course, and we'll approach this endeavor from a natural science perspective. Another aim of the course is to actually apply this understanding to solve real-world behavior problems. Indeed, most of the problems we face in contemporary culture are behavioral in nature. Consider phobias, depression, drug addiction, crime, prejudice, eating disorders, and the list can go on and on. What's exciting is that the principles we will cover can solve these problems; we have the data.

Course Objectives

Upon completion of this course, you will be able to:

- Think critically about the causes of behavior, human and non-human, using specific tools of scientific thinking.
- Understand how a natural science of behavior, especially respondent conditioning and operant learning, can help us understand behavior and experience.
- Apply this knowledge in every possible way to your own and others' behavior and experience, and solve socially important problems.

More ambitiously: I hope this course changes your life.

Certification as a Board Certified Associate Behavior Analyst (BCaBA)

- The Department of Psychology at the University of Florida has a Behavior Analysis Certification Board® (BACB)-verified course sequence that prepares students to sit for the BCaBA exam after graduation with a bachelor's degree. EAB 3002 is one course in this sequence, click here. (Links to an external site.)Links to an external site. to see the full
sequence. Students who successfully complete this sequence will automatically meet the coursework requirement to qualify for the exam. In addition to this coursework, the student will have to complete a minimum of 1000 hours of supervised practical experience in behavior analysis.

- Full-time UF students are eligible to complete the sequence, regardless of major (i.e., non-psychology majors can complete the requirements and site for the BCaBA exam). At this time only residential UF students are eligible, UFO students are not eligible.
- Check out this website for descriptions of careers in behavior analysis.

What You'll Need

- Reliable access to UF's Canvas Computer System
  - If you're not familiar with the Canvas environment, check out this tutorial: "Navigating UF's e-Learning Environment" (Links to an external site.)

- This Textbook:

Course Communications

Please use Canvas to message me or your TA. Expect me to respond within 24 hrs during the week and 48 hrs during the weekend. You can also message me to set up a meeting. I am always happy to meet with you outside of scheduled course hours. Communication is important in this class. You should check Canvas and your email for any updates on a daily basis during the week. This is important.

How You'll Be Graded

Getting Started Quiz & Module Quizzes

10 pts each x 14 = 140 pts

- Getting started. By the date specified on the quiz, complete the Getting Started quiz. By completing this quiz, you agree to all rules of the course. This quiz also assesses your knowledge of the syllabus.
- There will be 13 Module Quizzes during the semester.
In-Class Discussion Assignments

10 pts each x 6 = 60 points

- 6 assignments, 10 points per forum.
- Assignments will be given during class and discussed afterward.
- There is no makeup for discussion assignments.

Portfolio

10 pts each 6 = 60 points

- You will build a portfolio during the semester. The focus of the portfolio is to apply concepts and principles to real-world phenomena.
- In many cases, the portfolio entries will build upon the discussion topics from the previous week.
- Portfolio entries will open on Saturdays at 9:00am and are due by Fridays at 5:00pm.
- Portfolio entries will be made in the Assignments tab in Canvas.

Final Portfolio

30 points

- The final portfolio will be a compendium of all portfolio entries during the semester.
- You will reflect on how the portfolio assignments helped you address the big goals listed in the first paragraph of this syllabus. You will also have the chance to tell us how you might revise any of your portfolio assignments based on feedback and/or new learning.

Grading Policies

Make-up Quizzes

At the midpoint of the semester, and again at the end of the semester, you will have the opportunity to take a make-up quiz. These quizzes can substitute for any missed quiz. If you took all of the quizzes and want to drop your lowest grade, the make-up quiz (or quizzes) will be counted in place of your lowest quiz. Let's say you take all the module quizzes and one make-up quiz and your score on your make-up quiz was your lowest, then your make-up score will be dropped. The make-up quizzes only apply to module quizzes. It does not apply to other class components like discussions or portfolio assignments. If you miss discussion posts or portfolio entries, those will stand as zeros unless you have a university accepted excuse.

The make-up quiz questions will be drawn from previous modules. So in the middle of the semester, the quiz will draw 10 questions from the module 1-6 quizzes. At the end of the semester, the quiz will draw 10 questions from module 8-13 quizzes.

Course Policies & Guidelines

Communication

- If you have a general question about the course, post it on the General Discussion board. Feel free to use this board to communication with each other, set up study groups, say hi, whatever.
- If you have a question about your grade, message me. Don't post information about your grade on the General Discussion board.
- All interactions with instructors and among class members are expected to be professional and appropriate.
Extensions

Extension of deadlines may be requested for assignments. Any requests for an extension must be based on University approved reasons and must include proper documentation as per University guidelines. Requests for extensions must be made before the assignment deadline, if possible, or within 24 hours of the deadline for unexpected emergencies. Late assignments without approved extensions will not be accepted.

Announcements

Announcements will be made periodically about class issues (such as reminders about upcoming assignments, or when assignments are returned). These will be visible on our course's home page. Students are responsible for all announcements made there.

Religious Observances

Please check your calendars against the course syllabus. If you have a conflict due to religious observance you should contact me as soon as possible so that we can make any necessary arrangements.

UF Policies

University Policy on Accommodating Students with Disabilities

Students with disabilities requesting accommodations should first register with the Disability Resource Center (Links to an external site.) (352-392-8565) by providing appropriate documentation.
