GRADUATE RESEARCH EXPERIENCE

Lab Manager, *Motivation and Behavioral (MAB) Laboratory*

Athens, GA

University of Georgia, Department of Psychology

May 2023 - Current

- Coordinate and mentor a team of 12 undergraduate students to execute research studies on self-control and effort
- Serve as project coordinator for study on smoking behaviors in couples
 - Craft IRB proposals and author research scripts and consent forms

- Deliver comprehensive training in participant management and foundational research techniques
- Proficiently analyze data in preparation for abstract submissions and presentations
 - Utilize R for data analysis (e.g., t-tests, ANOVA's, kappa's)
- Create instructive manual on qualitative coding project

Research Assistant, *Couples and Relationship Enrichment (CARE) Laboratory*

Athens, GA

University of Georgia, Department of Human Development and Family Science

May 2023 - Current

- Analyze data from over 1,500 participants who participated in the *Relationships Smarts (RS)* program and co-author annual impact reports for distribution to state funders and local stakeholder
 - Utilize SPSS in data analysis (e.g., regressions, post-hoc, ANCOVAs)
- Recruit over 5 couples weekly through telephone for ELEVATE, a couples enrichment program, utilizing effective communication skills
- Conduct detailed telephone surveys for couples pertaining to their relationship
- Instruct comprehensive research training for undergraduate lab members

UNDERGRADUATE RESEARCH EXPERIENCE

Research Assistant, *Couples and Relationship Enrichment (CARE) Laboratory*

Athens, GA

University of Georgia, Department of Human Development and Family Science

January 2021 - May 2023

- Researched changes in teen attitudes that may reduce risky sexual behaviors, as well as variations in these changes that are associated with participant (e.g., gender, race, age) and program characteristics among youth participating in the Relationships Smarts (RS) program
- Cleaned and organized data gathered from over 3,000 participants
- Attended specialized training sessions focused on effective techniques for engaging at-risk communities and children with prior trauma experience
- Assisted in survey refinement by contributing to the development of a comprehensive codebook

Research Assistant, *Motivation and Behavioral (MAB) Laboratory*

Athens, GA

University of Georgia, Department of Psychology

August 2022 - May 2023

- Pioneered studies on effort and self-control, incentivizing research participation by crediting students through SONA
- Independently managed multiple concurrent study participants
- Developed consent forms in preparation for IRB proposals
- Offered constructive feedback on survey questions to enhance clarity and streamline the survey's flow
